

KF Annual Meeting 2025 – Program

Date: June 19, 2025

Location: Mærsk Tower, UCPH

09.30 – 10.00

Registration & Welcome

10.00 – 10.50

Plenary Lecture

Professor Sabine L. Flitsch

University of Manchester, UK

11.00 – 11.50

Plenary Lecture

Professor Sophie Beeren

DTU Chemistry

12.00 – 12.45

Lunch and Poster Session

12.45 – 14.15 – Session Lectures I

The Division of Organic Chemistry and The Danish Society for Medicinal Chemistry and Chemical Biology

- 12:45–13:15: **Craig Day**, UCPH
- 13:15–13:45: **Søren Kramer**, DTU
- 13:45–14:15: **Anders Bach**, UCPH

The Danish Society of the History of Chemistry

- 13:10-13:40 **Emeritus Professor Helge Kragh**, Niels Bohr Institute, KU
"Margrete Bose (f. Heiberg), en kvinde i tidlig fysisk kemi"

- 13:40-14:10 **Lecturer Asbjørn Petersen**, Danish Society for Historical Chemistry
"Dansk svovlsyreproduktion: fra monopol til kaos og tilbage til monopol"

The Division of Inorganic Chemistry – to be announced

The Division of Theoretical Chemistry – to be announced

14.15 – 14.30

Coffee Break

14.30 – 16.30 – Session Lectures II

The Division of Organic Chemistry

- 14:30–15:00 **Junjun Tan**, UCPH
- 15:00–15:30 **Changzhu Wu**, SDU
- 15:30–16:00 **Frederik Simonsen Bro**, DTU
- 16:00–16:30 **PhD Prize winner** – *To be announced*

The Danish Society of Analytical Chemistry

14:30-15:10 Assoc. Prof. Fatima ALZahraa Alatraktchi (RUC): "Electrochemical sensors - in sickness and in health".

15:10-15:50 Professor Marianne Nissen Lund (KU-food). "Quantitative analysis of protein quality in foods"

15:50-16.30 Assoc. Prof. Martin Hansen (DTU): "Non-target chemical analysis in environmental forensics"

The Danish Society of Molecular Spectroscopy– to be announced

New Section Presentation– to be announced

16.30 – 17.00

Coffee Break

17.00 – 18.00

Prize Lecture – *To be announced*

18.30

Dinner & Poster Awards
